

ANIMAGO 2006

MAY 2, 2006

Animago is an annual 3D contest, organized by Digital Production, German 3D magazine. I've just been informed that my 3D dress from the Opening of the Papaver Rhoeas collection has been accepted in Animago 2006 contest. The final event and presentation of the winners of Animago 2006 will take place on May 5th in Stuttgart, Germany.

AWARD : 2006

DIGITAL PRODUCTION is the leading German trade magazine for computer graphics, video, film, vfx, compositing, streaming, broadcast, dvd and web. They are the only magazine that thoroughly covers all aspects of digital media production.

Digital production addresses a professional and semi-professional readership. Their target audience consists of producers, creative directors and decision makers of all fields of digital media production. The selection and presentation of all topics relates directly to needs of freelancers and employees, who make investments decisions for their company.

Jana Rot was born in Kranj, Slovenia. She has started her fashion design career around 1999 and since then she has been involved in various exhibitions, fashion shows and international fashion and industrial design competitions. During her study at University of Ljubljana, department of fashion and textile design, she has been active in researching new ways of creative presentations and thinking regarding fashion and textile design. She has graduated in 2005 under the mentor doc. Marjeta Godler.
